	<p>Summary of the Entry Deadlines:</p> <p>Friday, March 1st, 2019 by 11:59 PM:</p>

	<p>All entries, except amendments must be received. These entries must include Proof of Times in a PDF by athlete. Any custom times must be supported by an easy to decipher report with the athlete and time in question highlighted.</p> <p>'Relay-Only' swimmers must be submitted at this time unless they are submitted through an amendment entry.</p> <p>Monday, March 4th, 2019 by 11:59 PM:</p> <p>Entry Coordinator will respond, via e-mail, that entries have been received and accepted. If you do not receive an e-mail, you must contact the Entry Coordinator by 11:59 PM on March 5th. If your original e-mail did not go through and you can send the original e-mail proving that you sent it by the deadline, the Entry Coordinator will accept entries at this point.</p> <p>Thursday, March 7th, 2019 by 11:59 PM:</p> <p>All known Amendments must be submitted by this time. All amendments MUST include proof of times for only the entries in this file in a PDF by athlete.</p> <p><i>Relay Amendments:</i></p> <p>When adding relays during the amendment process, you must make sure that each relay you have submitted throughout the process has a unique name. For example, if you originally submitted two relays in Event 41, they will be your A and B relays. If you now submit an additional Event 41 with your amendment entries, your Team Manager will call it the "A" relay. You must rename it to the "C" relay or this "new" relay will simply overwrite the previous "A" relay. If you only want to update the times of your "A" relay with amendments, then call your relay "A" and the times will be updated without adding a relay.</p> <p>Friday, March 8th by 7 PM:</p> <p>Entry Coordinator will send, to each team, a copy of all entries submitted thus far, along with Team Rosters. This is each team's FINAL CHANCE to check the entries and to make certain that all swimmers are entered (including 'Relay-Only' swimmers). Please ask swimmers to proof their own entries.</p> <p>Friday, March 8th:</p> <p>After a report of your combined entries has been sent to you by the Entry Coordinator:</p> <p>All further Amendments must be submitted by sending the Entry Coordinator a Hy-Tek file. This file should ONLY contain any additional Amendment entries.</p> <p>Proof of Times in a PDF by athlete of JUST THESE Amendment Entries is required at this time along with any proof of custom times.</p> <p><i>Please Note: It is expected that entries, at this time, will be minimal and will consist ONLY of true mistakes by the Coach or the Entry Coordinator.</i></p>
Entry Deadline(s) (Cont.):	<p>Monday, March 11th by 9 AM:</p> <p>ABSOLUTE deadline for accepting the last amendments. <i>Amendments submitted on this day will incur a \$5 surcharge per individual entry</i></p> <p>Entry Coordinator will respond that amendments (ONLY) have been received and accepted. IF your e-mail did not go through and you can send the original e-mail proving that you sent it by the deadline, the</p>

	<p>Entry Coordinator will accept it. You must contact the Entry Coordinator by noon on Monday. Mistakes on participating team's part such as sending the incorrect file will not be corrected by the Entry Coordinator after 9 AM. No changes will be made on deck.</p> <p>Monday, March 11th by 9 PM:</p> <p>Psych sheets will be posted on the Berkeley website. ONLY errors found on the posted Psych Sheets that were caused by the entry coordinator after the combined entry files were sent will be corrected (example: entry coordinator mistyped entries from your email or inadvertently deleted an entry that was showing on the entries sent to you) Mistakes by participating teams will no longer be corrected. You must have proofed the entries sent to you and have found the mistakes at that time (examples of mistakes that will not be corrected: you forgot a swimmer, you sent the wrong files, you listed the wrong time, you didn't proof the entries sent to you, you missed the deadline etc.) Therefore, if a swimmer or relay is not listed on the psych sheets, the swimmer or relay will not swim.</p> <p>NOTE: It is not necessary to overnight or express mail checks that are sent in support of an e-mailed entry. Please note that if the participating team does not receive a response from the entry coordinator by any of the above deadlines, it is the responsibility of the participating team to contact the entry coordinator by phone.</p>
